Transfer by the Numbers

49%

"Nearly half of all students who pursue education after high school start at a two-year college."
National Student Clearinghouse Research Center

≥

"Community college transfer students have equal to higher graduation rates than students enrolling from high school or transferring from a four-year school."
Jack Kent Cooke Foundation Persistence report

80%

"Students who earn an associate degree before transferring will complete their bachelor's degree 80% of the time."
*SCHEV*

$20k

"Students can save $20,000, on average, on their overall education journey by getting an associate before transferring."
Virginia's Community Colleges
